ABOUT US

Anrace Healthcare LLP is a DPIIT & GoI-recognized manufacturing startup creating high-quality Assisted Mobility, Rehabilitation and Wellness products. Driven by the goal of making world-class solutions accessible and affordable, ANRACE brings together global medical-device expertise with innovation and precision engineering to meet the needs of users across India and beyond.

Our advanced facility in Rohtak, Haryana ensures every product meets strict international standards, with components crafted in-house or responsibly sourced from trusted partners.

Our portfolio includes Wheelchairs, Power Wheelchairs, Commodes, Walking Aids, Walkers, Bed Back Supports & Recliners, Cushions, and a wide range of mobility solutions for home and institutional use.

OUR VISION

To become India's most trusted Assisted Mobility & Home Healthcare brand by delivering exceptional value, dependable quality, and innovative solutions that enhance everyday living.

OUR VALUES

ETHICS

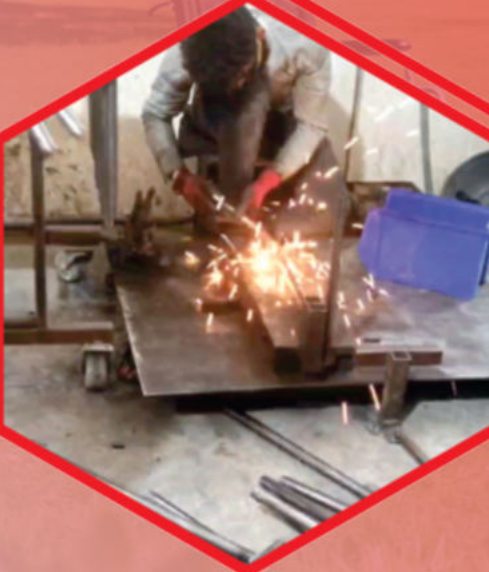

We build relationships grounded in integrity and trust, the foundation that drives every decision we make.

EXPERTISE

Our strength lies in our specialists. Their deep knowledge and craftsmanship ensure innovative, reliable, and truly customer-focused products.

EXCELLENCE

We pursue excellence in everything we create, delivering superior quality without compromise — because our customers deserve nothing less.
